To All Members and Friends of the West Hills Symphonic Band:

The *West Hills Symphonic Band* presented its debut concert on January 29, 1967, the launching of a musical organization that continues to flourish today. Over the years, the band has performed outstanding concerts throughout the Pittsburgh area with members from all walks of life who range in age from the teens to the 80's.

As you know, our goals include: to offer musicians of varying ages and ability levels a challenging means of developing and expressing their musical skills; to provide quality concerts for local communities that enlighten, uplift and educate audiences; and, to promote the rich heritage and ongoing, vital role of the American community band.

Although our concerts are free to the public, funds are needed for the operating expenses of the organization, such as facility rental for rehearsals and performances, new music, recordings, instruments, equipment and insurance.

We ask that you please consider supporting the *West Hills Symphonic Band* by purchasing a Personal Ad that will run in the printed programs for all formal concerts held within one year of purchase. As you have seen countless program books, families honor their own through creative and unique ads. A picture can be combined with best wishes from family and friends for all to celebrate and enjoy.

Your generosity will help ensure that the *West Hills Symphonic Band* will continue to provide quality concerts in 2011-12 and beyond.
